62	Moraine, for all intense purposes is a business/manufacturing community. Most residential areas supported housing for local businesses. Moraine for years, has made living in Moraine very affordable in comparison to other communities. They have attempted to provide many activities at low to no cost of their residents. 1	Steady state is hard. OH is not growing and it would be difficult for Moraine to grow in meaningful ways. Focus on upscaling; easiest is bike routes and trails, just a few Share the Road and BMUFL signs would make a big difference.	7/11/2023 10:59 AM
2	We have revenue and areas for expansion.	7/2/2023 8:12 AM
3	I would like to see this growth be conscientious, taking into account the residents, the environment & nature (clean up our river!) and encourage small businesses to establish themselves here sustainably.	6/24/2023 10:47 AM
4	By growing; I mean attracting small businesses that are American & products are made in America and locally made & grown.	6/9/2023 5:34 PM

25	I want to see Moraine to grow in every way possible. Better recreation programs, bring back all the seasonal beautification awards for each ward (the Spirit award in July, flower and yard improvement, Halloween, Easter, Christmas...). This motivated the residents to decorate and have fun competing with one another. Truly made our city more beautiful throughout the year. Improve the interior of the rec center. We used to have wonderful photos of Moraine residents(young and old) participating in city events and that was all removed. Now it looks like a hospital. Nothing on the walls at all!! No youth or adult volleyball, soccer, pickleball, basketball leagues. What happen to all those activities? The rec center's hours need to be expanded!! Make Main Street more appealing please. How about a square where the City could hold events and bring the residents together.	4/17/2023 7:21 PM

33	It would be nice to develop parcels of land along the Miami River - a restaurant or two, canoe/kayak livery, etc. to make it a destination. This potential development would not be a San Antonio, Texas Riverwalk, but it would be a nice attraction and setting along the banks of the river. Also, protect the Moraine Airpark from proposed development across the river on the West Carrollton side that would limit their events. It would be nice to beautify Moraine with	4/13/2023 11:28 AM

several painted murals showing historic events. Lastly, check out Casey, Illinois. They went from a small farm town off of the interstate to a destination as they developed a dozen or more world's largest attractions. With all of the businesses located in Moraine, select businesses could make a world's largest item based on the theme of the company. This would be a novelty roadside attraction but would bring in people to Moraine and they would then use local restaurants, stores and maybe recreational activities.

37	I'd love to see higher class businesses. Frischs is out of business now but it's an eyesore and needs to go. The empty used car lots at 741 and main look bad and 1 is closed and empty. There's just so many closed businesses in the city just sitting and over growing with weeds and it just looks terrible. We don't have a place to get on the bike path in the city that's easy to access that I feel safe leaving my car. The boat ramp is not a place I feel safe parking my car to get on the bike path. The neighborhood playgrounds need updated, they are old and have broken equipment. Need more marked hiking trails with places to park.	4/10/2023 5:10 AM
38	Moraine could use more local businesses, but only if the infrastructure grows to support it. More programs and facilities are needed to keep families here in the neighborhood. I believe Kettering, Miamisburg, and Centerville do a much better job of local offerings.	4/8/2023 12:23 PM

45	Moraine is a dying town in terms of quality people living here. The town has to many low-class people and could use better housing developments to bring in middle class families. The crime rate for a town this size is disturbing, and one of many reasons why I would not live in Moraine. The city lacks entertainment options or places to venture out to during the weekend. Overall, the city is boring with not much going on, and the only thing keeping the city going is the major employers that call Moraine home. Moraine needs to grow aggressively, especially with West Carrollton improving their entertainment options. Moraine is going to be left in the dust if major action is not taken.	4/6/2023 9:29 AM

1	Multifamily is fine if you can ensure people with incomes >\$100k to max tax. I thought you had a good number of affordable homes already.	7/11/2023 10:59 AM
2	More apartments make it more affordable to become apart of the community.	6/25/2023 10:44 PM
3	Moraine already lied about Cobblegate and Stonebridge when they said they would be senior living and they are instead, low income housing. We do not need more of this type of housing and it does not provide the right type of growth for this city. Also.....please tear down the Red Horse Inn, which is NOT a safe, clean housing option, it attracts people renting rooms to sell drugs or perform illicit acts and the tenants walk our sidewalks and have disturbed residents while under the influence.	6/24/2023 10:47 AM

19	I don't have a problem with multi-family developments. It's the problem that comes with after them because most of them will come in as being new high value and then they become low income housing which draws in a lot more of the wrong people. 31	We don't need anymore multi family developments.	4/14/2023 1:28 PM
32	I don't believe we need anymore	4/14/2023 9:28 AM
33	To sustain community support for multi-family housing, it must be designed with ease of maintenance and beautification in mind. Emerging families typically dispense all their energy into their careers leaving little time or concern for property maintenance or upkeep.	4/13/2023 11:37 PM
34	Population diversity is important. Families need homes.	4/12/2023 7:07 PM
35	Build Multifamily to be "condo conversion ready" (or just condos) with separate utility meters / switches / shut-off valves for each unit. And plan the projects so surplus parking hidden (to hide any junky cars) and the project isn't one big parking lot hosting apartments. Attached garages for each unit seem to make Centerville's Condo's more desirable with higher resale price points. And living in a SFH on a sea of condos (by Bigger and A-B) ... The property taxes on Centerville's childless condos are a cash cow for the schools.	4/9/2023 9:42 PM

10	If there were more of them!! We keep plowing and paving our city, we have our nicest parks up by the dump and people express a frustration with trying to be in nature (whether woods, the river, the pond) while smelling waste. Moraine is notorious for this smell and it DOES drive people away!	6/24/2023 10:47 AM

53	I would visit them more if they had updated equipment.	4/26/2023 9:08 AM
54	If they were better maintained. Equipment, fencing, and lack of natural shade all need to be addressed in the Parks. There are no real accessible trails to hike and the ones you can hike are not maintained and its hiking at your own risk. The Payne Rec Center needs a new roof and a new layout. I have never worked out while inside during a rain storm and had as much water inside with me until I started working out at the Payne Rec Center. The layout makes no sense and could do with a total remodel. The ball fields and courts also need to be updated. They are old and look like they have never been updated. It seems like the City needs to invest more money into the Parks and Rec department and get them a parks maintained team if they do not have one. Oh, also, if you skim the base of several walls in the Rec Center and the Civic Center, you can see clear to the ground below the buildings...	4/26/2023 8:45 AM

160	If the buildings were maintained and had an identity. Unfortunately, if you are working out and it is raining outside, you are working out in the rain even though you are in a building. The parks need to be redesigned to offer more amenities that are also safe. Oak Grove Park in Centerville is a perfect example of what we could achieve. There is also a lack of safe hiking trails for us to use.	4/6/2023 9:43 AM

1	Don't count on population growth, work on upscale and steady state. Bike trails are a win-win for everyone. They reduce road congestion and wear, improve health outcomes, and are desired by most people.	7/11/2023 10:59 AM
2	As a councilman I have a vested interest in the city doing well.	7/2/2023 8:12 AM
3	No because it's all about money so your going to do what you want anyway.	6/28/2023 3:27 PM
4	To keep the integrity of a small town/community feel. Not commercialize Moraine to keep up with the rest of the surrounding Dayton area including the West Carrollton River development.	6/28/2023 10:35 AM
5	No.	6/26/2023 5:03 PM
6	I really do enjoy living here, when I moved here it reminded me of how the neighborhood I grew up in was, kids play outside, it's safe, and it feels good to be raising my daughter here.	6/25/2023 10:44 PM
7	Commercial properties are taking over my neighborhood, leaving us with light pollution, noise pollution, and an encroachment on our properties here. And the relationship with the West Carrollton Intermediate School has been strained due to the constant noise of construction for the past 2 years and now the bells and announcements that ring out to our neighborhood loudly and we hear those bells and announcements everyday from 7:30 a.m. until 2:30 p.m. The programming at the pain rec center focuses a lot on the senior population and is not encouraging youth programming or places/ businesses for youth to go here in Moraine. Any place a teen wants to go to swim, see a movie, or do a creative activity is always in Kettering or West Carrollton or Miamisburg.	6/24/2023 10:47 AM
8	They're doing a great job as far as I can see	6/22/2023 7:47 PM
9	Moraine doesn't seem to be a well-defined "city". It just seems to be a collection of businesses along main streets between I-75, Kettering and West Carrollton.	6/21/2023 11:25 PM
10	Not presently	6/20/2023 6:10 PM
11	Kettering schools ok, WC not so much. Need good schools to attract families.	6/19/2023 9:50 PM

13	I've lived in Moraine 68 years. Recently I've seen more homes in disrepair. At least 5 of my neighbors have called or written letters asking our city leaders to take an interest in our area and enforce ordinances like zoning permits and trash removal or high grass and weeds. We can't get any support. If nothing is done our property values and your tax dollars will suffer	6/11/2023 3:47 PM
14	In Summary; I lived in Moraine the 1st 20 years of my life & it sucked then & it sucks now. You need more educated people on city committees. Bring back the beautification awards for Easter; July 4th; Halloween. you definitely need a branding slogan because Moraine is boring & has nothing to attract the right clientele. AND lastly look at what makes Kettering & Centerville vibrant & follow their lead. Listen to what us citizens tell you.	6/9/2023 5:34 PM
15	Just thank you to everyone who is working to make this a wonderful place to live.	6/1/2023 4:12 PM
16	Cleaning up the Neighborhoods. Trash in areas sidewalks need of repair some children park areas need fixed/ fencing	5/31/2023 2:45 PM
17	I was on the Moraine website recently and it was not a good experience. The website was really bad, pictures and pages were off and choppy. It did not look professional and needs help.	5/24/2023 10:23 AM

21	I bought a house on Clearview with a backyard that borders the Moraine Airpark airfield. I'd love for codes/ the city council to approve the rights for residents to build hangers behind their homes for airplane access to the taxi-way. That would definitely raise home values in Miami Shores, bring in higher-income residents, and thus more tax revenue for the city.	5/8/2023 11:19 AM
22	Wishing you luck with this!	5/8/2023 9:20 AM

It is always in a neighboring communities because Moraine doesn't have much as far as entertainment.	4/29/2023 3:48 PM

32	Let's develop some run down areas and create a fun community where we are happy to have our kids raised in safe environments with locally entertained community involvement. When I was a kid there was so much that was fun and enjoyable. My kids now have to go to other cities to enjoy any entertainment. We need positive activities, especially in today's society. Let's be "that" village raising the next generation again, bringing up the next level of leadership. This will also bring more innovation and interest to our city, create jobs and bring in revenue.	4/27/2023 8:45 PM

38	Everything about this town is outdated and needing some TLC, including the staff. Most of the staff have been here for over 15 years and want everything to stay the same. This City cannot grow in part because of these people. In council meeting the members are so far removed from what is going on it is sad. This city needs a center. It needs its money put into what the community wants to see such as better restaurants, cleaner streets and parks, updated parks facilities. These things tie people into a community, not just factories that imported their staff from overseas.	4/26/2023 8:45 AM

95	Extremely High Levels of Public Safety (Police) + Proximity to Kettering, Centerville, "South Dayton" and 75 should be what makes well built, condo conversion ready apartments work best. As would accessibility to Seniors who want to be in the area but can't afford Centerville or Kettering. Focus on an overall plan that improves and cleans up the town's overall appearance. (Drive from South Kettering onto Washington Twp along Wilmington Pike to explicit examples of how Centerville's careful planning have worked.) Don't do cheesy shit like Miami Townships "Atlantic City" looking Light Board Sign on front of the DM. I would hold off on huge parks & rec investments UNTIL there are a few dozen good quality housing projects underway. But maybe scout out or mothball property that could host such projects. Similar to the "Proposed 675" maps where the dotted lines (ala family circus) show where future bike paths, parkways, and enhancements could appear.	4/9/2023 9:42 PM

115	The city needs to expand their zoning team and to better care of the houses in Moraine by holding people accountable for how their property looks. Some residents have lived in Moraine for a very long time and have the attitude "that's how it's always been and it's not changing!". And they are the ones with the worst houses in the neighborhood. activities without the knowledge of how they were run or function internally. They are adverse to any change. There are also numerous staff members that have been here for over 10 years that do not want to take on larger roles and would like to keep things "status-quo". If Moraine grows, the Moraine Messenger will need to be bigger. If Moraine grows our social media presence and advertising would need to drastically change, and the City employees with those responsibilities do not want that.

117	Either do this project right or do not do it at all. The city has failed in the past with Splash Moraine and other project ventures. The city needs to spend money and not go with the cheapest option like they have in the past. Moraine is "cheap" and that is why the city fails. There is plenty of money to spend, yet the city is scared to spend the taxpayer's money. Create a centralized downtown that will have restaurants and retail shops to attract people to visit Moraine and upgrade the park system with more things to do.	4/6/2023 9:29 AM

We absolutely do not need any more housing or apartments,tons of that already. We how ever do need a small down town to create more business and revenue . As well we do not need any more public transportation, when you bring new public transportation you always see a decline to a area,my crime,and more trash around.
